The Battle of the Books

Introduction by James Harvey Robinson

By what slow steps men arrived at cr ative scepticism, and the influences that have tended for an against this attitude throughout the centuries of classic though the author demonstrates with carefully selected material. Labour in the Commonwealth

12mo, cloth, $1.50, *net;* weight 1 lb.

ESTATEMENT of those fundamental aims to which the more
culate section of British labor is endeavoring to give ex-
sion. It crystallizes the wide-spread dissatisfaction fer-

recognition of the facts that 'Labour' consists of human
gs." He denies the sovereignty of the state but regards
s only one among various forms of association.

Farmington

12mo, cloth, $1.50, *net;* weight about 15 oz.

IDES being a narrative of the events that contribute to the
s and tribulations of youth and of the life of the country-
, this book forms a chapter in rural sociology and thus of
authentic history of America. William Dean Howells said
t "Farmington" belongs with Tolstoi's "Childhood, Boyhood
Youth"; perhaps it deserves the equally great compliment
comparison with Mr. Howells' classic, "A Boy's Town."
ends of Mr. Darrow will not be disappointed in their ex-
tation of whimsicality, humor and a touch of philosophical
icism, but it is all introduced harmoniously in this fragile
venir of a bygone day.

DEMARTIAL, GEORGES

Patriotism and Responsibility for the War

Introduction by E. D. Morel.

12mo, paper, 50 cents, *net;* weight about 6 oz.

An officer of the French Legion of Honor here inquires whether it is unpatriotic to recognize the faults of one's own country and points to the present duty of the Allies. He declares "People speak of revising the Treaty. No one hitherto has seemed to understand, or wishes to understand, that the Treaty cannot be revised without revising the judgment which has been given as to responsibility, seeing that the Treaty is based upon that judgment. The question of responsibility for the war continues, then, to be the question of questions. It is not only the greatest moral problem of our time. The salvation of the world depends upon its solution." And L'Humanité (Paris) comments, "The light shed upon the problem by M. Demartial will never be put out."

Introduction by John A. Fitch.

lustrated. 12mo, cloth, $1.75; paper, $1.00, *net;* weight 1 lb.

TEEL is the framework from which depends the fabric of odern life. Naturally enough the country was keenly conerned over the prolonged steel strike and in the personality f Foster, the man behind the strike. The facts in this fundamental dustry—the labor for which is recruited from the most needy lass of immigrants who will submit to working days of twelve ours on and twelve hours off, with day-and-night shifts every ortnight—are told quietly by Mr. Foster. He tells the tale n terms of figures, of organization, of wretched human life. Everyone should know the "off-side" of the industry that made 457,685,000 profits in just one poor year. And everyone should ear, as well, some few of the significant incidents of that eriod: the Mayor of Duquesne assuring workers who asked is permission to talk together that "Christ himself couldn't peak in *this* town for the A. F. of L."

Writing of his flight om home to his spectacular death, Gorky says, "He wished make a myth of himself, knowing our fatal oriental weakness r mysticism."

Phantom

Translated by Bayard Quincy Morgan

12mo, probably, $1.50, *net.*

; the Hauptmann of today there is a ripeness of experience id a mastery of craft, a profound insight into the soul of man id a poet's gift, in such solution as to compel interest in all at he writes. If he introduces a set of rogues, if he describes murder, if he plunges his reader into the degraded life of a g city, (he does these things in this novel), he never descends om his dignity as an artist. Side by side with the depraved eople who take part in this story he places men and women of eautiful ideals, and the contrast is heightened by his consistent herence to truth in depicting both groups.

OME may call *Phantom* a study in abnormal psychology; others ill regard it as a document tending to support the theories ade popular by Freud, Jung and their co-workers. Most eaders will accept it as a tense and vivid narration of a climactic isode in a man's life; as a story, not so much of crime and unishment as of error and regeneration. The celebration of Hauptmann's sixtieth birthday is appropriately marked by the sue of this notable story.

JOSEPH, HELEN HAIMAN

A Book of Marionettes

Illustrated, 4to, boards, $5.00, *net;* weight about 2½ lbs.

EDWARD GORDON CRAIG wrote, "Curiously, England is the only one of the four great literary countries of Europe which has not a single book nor even a translation on the subject of marionettes." Mrs. Joseph fills the gap with the present volume which covers the subject in a sprightly and entertaining way. It is scholarly, but not pedantic. The history and development of marionettes is fascinating. The roots are uncovered in the faint past of the Orient, and then the story is unfolded of the puppet's grip on the imagination of all Europe. Chapters on marionettes in America; toy theatres and puppet plays for children; the construction of the stage, and the making of marionettes, out of the author's actual experience in the excellent work done in Cleveland, Ohio. The lively interest in this book is attested by the assistance given to Mrs. Joseph by Bernard Shaw, Festing Jones, Mrs. Maurice Browne, and Tony Sarg, to name but a few. There are 40 pages of notable illustrations. These include photographs of rare puppets in museums, reproductions of classic pictures from standard European books, besides scenery, marionettes and methods of manipulating from the most perfect puppet theatres. In green and black and gold binding, this volume is an appropriate gift.

Those who belong and those who scorn to belong to the extreme left wing of modern free-verse theory will recognize as a sort of credo, D. H. Lawrence's preface to this collection, wherein he makes the first classic statement concerning the prosodic achievement of this country.

Look! We Have Come Through!

12mo, boards, $1.75, *net;* weight about 16 oz.

OUGH D. H. Lawrence is an Englishman, his literary in-ance is of this country. He, more than any other modern harmonizes the divergent strains of Whitman and Poe. *! We have Come Through!* is the powerful expression of an whose emotional understanding of his love-life has cul-ted with his life as an artist. As with his novels, Lawrence's ry is permeated with a wild luxuriance and a kind of ral awe. *Moonrise* is the first poem; *Graying for Spring* e last. Thus the arch of his personal passion rises from descends into a mood of profound feeling for nature, and poetry, although highly personal, achieves a remarkable ersality.

A fortnight before his murder, Jaurès criticized the condu of France in Morocco, stating fearlessly that it had inaugurat in Europe an era of ambitions, covetousness, conflicts, and h paved the way by distinguished example for the Austrian a nexation of Bosnia and Herzegovina, as also the Italian a venture in Tripoli. Mr. Morel declares now, and he did the that Morocco forged the bond between England and Fran and that, in consequence of the latter's treaty with Czar Russia, the Moroccan affair definitely strengthened the Germ party which liked to think armed conflict was inevitable. Wi a view to warning a casual world, Mr. Morel published th book before the war had been planned to arrive.

When divided, a Morel divides this continent, on the basis of climatic habi ability for European colonization, the problem of its partitio and jurisdiction is clarified. Two relatively limited zones pe mit of colonization. The vast interior, which contains the co tinent's wealth is and will always be uninhabitable for Eur peans. The conclusions drawn from this attack on the subje are valuable for international thinkers.

Equally varied and exciting are the adventures the remaining "sinners" told by a master of narrative.

Farewell to America

THE author is a veteran observer of many wars of steel gold; he has described peace conferences; he has written poe and his short stories are as good as any that our time has p duced. Upon leaving these shores in the Spring of 1922 he wr this piece for the London *Nation.* It is a bit of friendly sat directed against his own country as well as against us fraternal estimate of our strength and weakness. It is only little bit of a book, but readers will treasure it. Here Mr. Nevinson's comment on the new fame which its publicat brought him: "It is a peculiar thing that a random article wh I wrote probably in two hours should have brought me m recognition both here [England] and in America than twenty-two volumes which have taken me a lifetime."

THE OUTSTANDING SUCCESS OF AMERI
JOURNALISM NOW IN ITS THIRD YEA

The Freeman

—a weekly paper edited by Mr. Francis Neilson and Mr. A
Jay Nock, is planned to meet the new sense of responsibilit
the new spirit of inquiry which recent events have liberated, esp
ly in the field of economics and politics. It follows developme
all phases of international life, and its point of view in the disc
of industry and commerce is that of fundamental economic
dealing with public affairs, both domestic and foreign, it co
itself more with the principles of politics than with political e
personalities or superficial issues; and especially with the eco
principles that underlie politics.

The Freeman is more interested in discovering popular sent
than in creating it and aims rather at enlightening and un
public opinion than at controlling or instructing it. It is gro
in the belief that the greatest public service that can be perf
at this time is the promotion of free popular discussion, and
paper which desires disinterestedly to serve its age can do no
than take this for its avowed function.

In its treatment of news The Freeman does not respe
journalistic fetish of timeliness to the prejudice of accurac
portance and well-reasoned discussion. It does not in any
compete with the daily newspaper or with any weekly résu
news. Nor does it pretend to compete with such organs of
opinion, whether liberal or conservative, as are now serving a
public and serving it exceedingly well.

The Freeman presents sound criticism, freely expressed,
literature and the fine arts, besides offering American and f
works of creative imagination.

Sample copies will be sent upon request. The paper may
tained at news stands or book stores for 15 cents. Subscription
per year, (52 numbers): in the United States, $6.00; in Ca
$6.50; in other foreign countries in the postal union, $7.00.
may test The Freeman for ten weeks for $1.00.

To get any adequate idea of the originality of this book you must read it. Then we think you will agree with us that the author of "Slimtonian Socker" deserves well of his country. 12mo. Cloth. SABIN, EDWIN L.

*Desert Dust. Wyoming, 1868, was the meeting-place of Union Pacific railroad builders, gamblers from everywhere, painted ladies, Mormons on their way west to Salt Lake City, savage Sioux trying to stop them in the mountain-defiles and on the alkali deserts—and between them they managed to cram the frontier with all kinds of excitement. This is not a cowboy romance. The author has written a powerful story of frontier life with many outstanding and masterly-drawn characters. The heroine—who is incidently a gambler's decoy at the Big Tent in Benton—is certainly one of the most appealing women in the world. This is a novel of Western America in the making; intensely thrilling—and at the same time true to actual facts—from start to finish. Illustrated. Colored jacket and frontispiece. Cloth. 12mo. $1.75

ORDER DICTIONARIES BY NUMBER

AT the request of a great many of our customers, particularly our customers engaged in the commercial stationery business, we have numbered our Dictionaries. We believe that if all of our customers will acquire the habit of ordering by number instead of title, as heretofore, it will greatly simplify matters, both for them and for us.

For example, if you order "10 copies No. 217 Dictionary," we at once know that you want our Desk Webster in the black binding, with gold edges, indexed, the price of which is $1.50. When ordering either number 215 or 216, unless you specify some particular color, we will send them assorted.

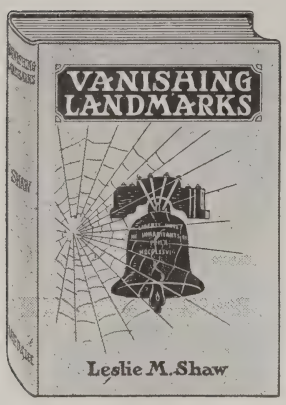
THE AMERICAN PUBLIC WANTS THE FACTS!



EX-SECRETARY OF THE TREASURY SHAW

has stripped away the mask of conventional platitudes. He shows a most American disregard for that ancient "What the public doesn't need to know" argument.

A striking piece of patriotism is

VANISHING LANDMARKS

The Trend Toward Bolshevism

Mr. Shaw, Secretary of the Treasury under President Roosevelt, former Governor of Iowa, no small figure today in unofficial life, is eminently fitted by nature and experience to handle so vast a subject—vast in its consequences, minute in its practical details. For Mr. Shaw succeeds in showing that common sense is the basis of the judgment that must be rendered by the American people, and that common experience is the medium through which we must interpret the momentous changes which have been taking place in our conception of government and its proper functions.

NO QUESTION NEARER TO AMERICA'S HEART

A PLEASANT MEDICINE, THIS BOOK, BUT NONE THE LESS POTENT ::: ::: IT WILL RID YOUR SYSTEM OF MANY A VAGUE MISINFORMATION THAT ELSEWHERE HAS REACHED THE AGGRAVATION OF A FEVER

VANISHING LANDMARKS

PLAIN FACTS FROM A PLAIN AMERICAN WHO HAS HAD AN UNUSUAL OPPORTUNITY ::: CANDID TO THE POINT OF BLUNTNESS; HUMAN TO THE POINT OF HUMOR; TRUE TO THE POINT OF PESSIMISM — BUT *HONEST* ALL THE WAY THROUGH

FROM THE BACK OF THE JACKET

The truth about government ownership, control or direction of public utilities—Civil Service the Postal System—the new trend toward direct legislation — the labor situation — *the greater problem which comprises all these:* discussed without rancor, without blind partisanship—but each issue squarely met. It is a book for wide reading—wide discussion—wide sales.

An enthusiasm for facts, mellowed with tolerance and enriched by a genial personality—that is *Leslie M. Shaw.*

A keen analysis of conditions, warmed by a fervent love of America and pointed with both humor and inescapable logic—that is *Vanishing Landmarks.*

Bound in extra cloth; stamped in gold and blind. An unusual "selling" jacket. Half-tone frontispiece. Standard 12mo; 256 pages.

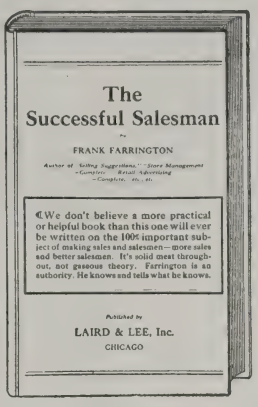
A Steadily Growing Sale Attests Its Merit

For years Frank Farrington has held high rank as a teacher of salesmen. Then his "Talks by the Old Storekeeper" brought him the same wide recognition as a writer of books. Now comes a combination of both—it is a book that does teach salesmanship.



Here's a book that reaches a class large enough to include every man and woman that engages in business—and not a one of them but will get his dollar's worth in that true instruction which is inspiration plus works.

THE SUCCESSFUL SALESMAN

ONE of the best proofs of the genuine value of the book is its ability to sell itself. Reading a dozen pages will convince any forward-looking business person of its dollars and cents value to him. It deals definitely, constructively, with every problem of method that will confront the salesman. It will, at the same time, give him a broader outlook on success, and a better grasp of the fundamentals of his business. We can recommend, without qualification, this book of the "science of selling."

"Class Books" and "Limited" Sales Are Not Always Synonymous

A BOOK that successfully refutes the idea that "all you can teach is the theory of selling." It teaches the practice of selling; it **makes** salesmen. It is straight from the shoulder, practical, instructive, without a waste word. It is based on experience—both in teaching and in selling. It's a "class" book—the biggest class in the world—all who buy or sell. *An employer said on presenting copies:*

SALES MANAGERS HAVE SAID:

"The Successful Salesman" has been perused with a great deal of interest; it is a mighty good book to have. Please send copies to the eighteen names herewith." — Edward Hines Lumber Co.

"Covers the ground most excellently; he gives things just about the right pitch."—Johnson & Johnson.

"Every Page is a Coupon in the Big Book of Success"

THE book appeals to clear-sighted sales-managers, who are, in increasing numbers, buying this book to give to their force. It pays a dividend to the house; it pays just as high a dividend to the salesman who reads its clearly written pages—who follows its keen suggestions.

Every business man or woman, every salesman, big or little, every ambitious young man is a potential buyer for this book. A single copy turned loose in your community may mean sales for many more. Any big employer who can be persuaded to read the book will readily see where a dozen more copies will bring him returns.

Neat 12mo; art boards,
cloth back.

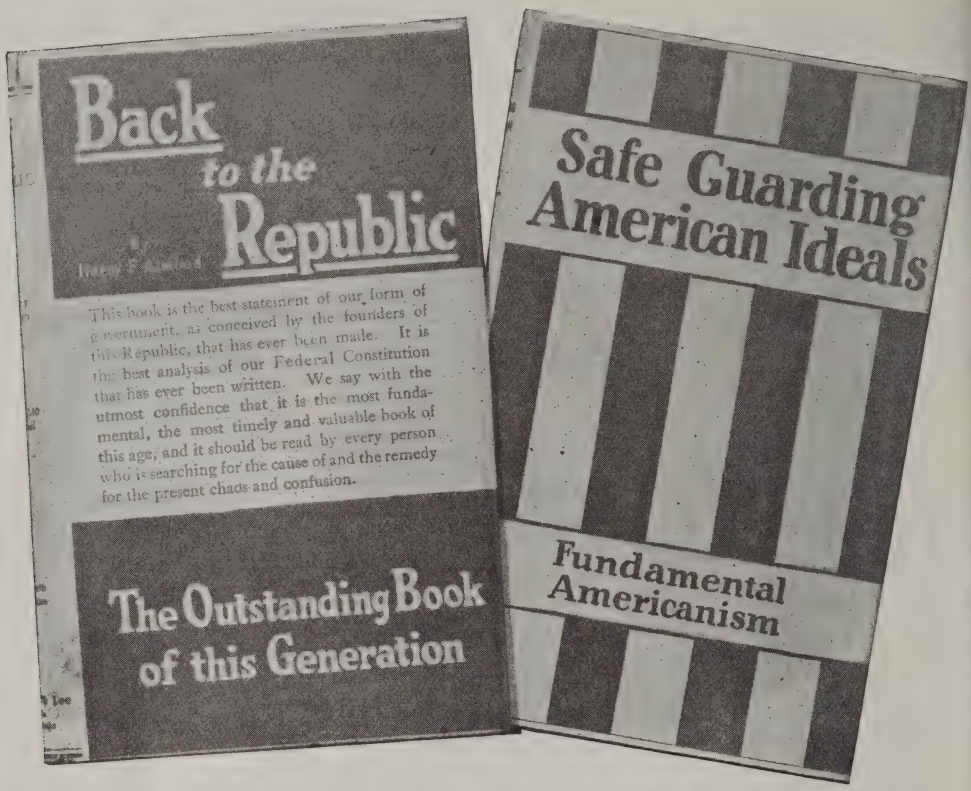
"I have read a number of books on selling, but Farrington's is the best ever. I am going to tell everybody I meet about it, for no other reason than to serve them."—*The New Success.*

"This man, Farrington, is all to the good. He comes nearer saying what I have always wished some fellow would say about the selling game than anybody I ever ran across."—*The Head of the Concern.*

"Many valuable suggestions which a salesman, no matter how long his experience, will find helpful. Please let us know what forty copies will cost."—*His Sales Manager.*



BACK TO THE REPUBLIC

Seventh Edition

By HARRY F. ATWOOD

Contains { **a copy of the Constitution**
a diagram of the Constitution
an analysis of the Constitution

No matter what your political faith, no matter whether you view the future with pessimism or with full assurance, you need the thorough understanding of American institutions that "Back to the Republic" will give you.

It presents a sane interpretation of our national condition during these trying days of reconstruction; it gives with unequaled clearness an analysis of our Constitution and our Federal Government. It does just what you have been wanting something to do for you: gives Americanism the form and substance of tangible reality; sets off our national aims and ideals in bold relief; and shows that the remedy for all this chaotic unrest lies just where you had lost sight of it—in principles tested by applications as old as this Republic.

> "Mr. Atwood's book is a marvel of straight thinking and clear writing. It clears away the fog of confusion. A stimulating contribution to the literature of Americanization, and it all makes a book that should be in the hands of every person who is honestly searching for the cause and the remedy of the present chaos and confusion. It is a little book with a big message and as timely as it is forceful."

SAFE-GUARDING AMERICAN IDEALS

Second Large Printing

By HARRY F. ATWOOD

Is not an alarm against the Reds or the Bomb Throwers. It is an appeal to the American born, American naturalized, American educated people of this country who need awakening to the tremendous and crucial problems of government and industry that confront us.

It is an invitation to come and reason together concerning the great heritage that has been bequeathed to us; to consider seriously whether we are willing to depart further therefrom and continue substituting therefor the whirlpools of class consciousness and the quicksands of chaos. Representative Government, Individual Property Rights, Individual Freedom in Industry, Avoidance of Class Consciousness, Reverence for Law—are significant chapter headings.

We are confident this is the kind of information the reading public needs today.

> "I have not read any book in recent years that made so profound an impression upon me as has 'Safe-Guarding American Ideals.' This volume should be read by every man, woman and child in America. It will encourage and inspire thousands to uphold American institutions and ideals."

Keep God In American History

***By* HARRY F. ATWOOD**

Author of

"BACK TO THE REPUBLIC"

Once in each generation or so, it seems, some book expresses the economic, political or religious feelings of that age, in a way that crystallizes vague tendencies into popular sentiment. Such a book, we feel, is "Keep God in American History." There is no doubt that the war has quickened religious perceptions, but with re-awakened faith has come re-awakened doubt, too.

"Keep God in American History" presents in inspiring review the striking instances of the acknowledgment of our dependence on a Higher Power. For the teacher, school or Sunday School, for anyone who is seeking a worth-while book to give to a class or a group, employes, associates, friends, there is no more fitting tribute or appropriate gift.

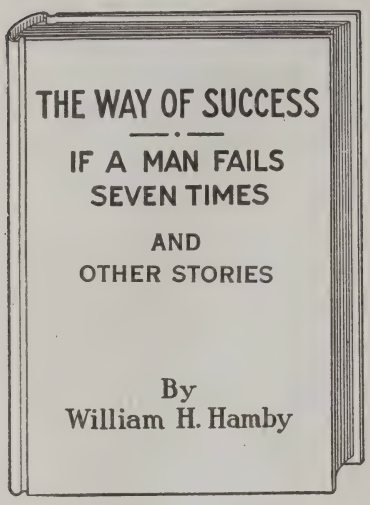
THE WAY OF SUCCESS



If a Man Fails Seven Times—The Man At the Top—In Debt and Out—The Commercial Club in Our Town

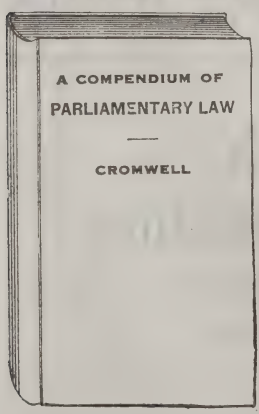
By WILLIAM H. HAMBY

Cloth, 12mo, $1.50 Net

These articles when they originally appeared in the Saturday Evening Post, brought scores of letters from all classes of men—from high school boys to railroad presidents, who had found in them renewed courage and clearer vision of success.

These sketches are neither sermons nor airy themes, but are taken direct from actual experiences, and are as real—and true as life itself.

A COMPENDIUM OF PARLIAMENTARY LAW



For Organizations, High Schools, Colleges and All Deliberative Bodies

Compiled by
EMMA GUY CROMWELL
Enrolling Clerk, Kentucky House of Representatives

There are many books on Parliamentary Law; but there is always room for greater simplification and clarification. This book aims at just that. A knowledge of Civil Government, to be of practical value, should be supplemented by a thorough understanding of Parliamentary Law, especially in these days of universal organization. Who is not today an officer of some organization, with the need of a parliamentary guide which this implies? Or if not now an officer, who is not an organization member and prospective officer, with every incentive to learn parliamentary practice in time to avoid embarrassment if suddenly called upon to preside?

This new work offers

A Concise and Reliable Guide

to a good working knowledge of the principles and usages governing deliberative bodies and is accurate in its statements and systematic in its presentation.

Recommended by Helen M. Winslow, Editor and Publisher, Official Register of Women's Clubs of America; Gov. Stanley, Lieut. Gov. Black, and State Supt. of Education Gilbert, of Kentucky, among others.

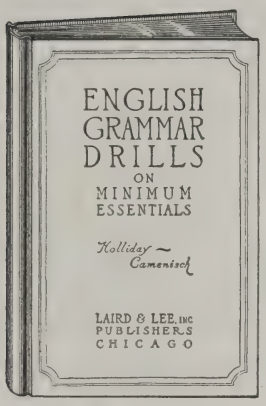
English Grammar Drills on Minimum Essentials

By

Carl Holliday, University of Toledo, Toledo
Sophia Camenisch, Parker High School, Chicago



More than 1,200 illustrative sentences carefully selected from the actual classroom experience of the authors; by their nature and variety adapted to meet individual needs and to challenge the pupil's power of thought. These drills aim at completeness in covering grammatical facts emphasized in recent valuable Reports on Minimum Essentials and meet the crying need of English teachers in High Schools today for an abundance of laboratory material on Grammar.

> "What we teachers of English have needed and wanted for a long time — a book of exercises simple enough for first and second year High School pupils and numerous enough to give them the drill they need. Selected with care and discrimination, they will economize both the teacher's time and the pupil's."
>
> ELIZA P. HALL, John Marshall High School, Chicago.

> "Such texts as this one, which have grown up from the actual classroom experience of teachers, are going to replace the theoretical treatises of professors and scholars. When this happens, we shall begin to teach English."

The Grammar of Present Day English

By
CARL HOLLIDAY
Professor of English, University of Toledo

"A clear and simple statement of formal grammar."
EDWIN HERBERT LEWIS, Dean of Lewis Institute

Common sense is the basis of both presentation and application; illustrative forms and usages are drawn from common experiences. The style is easy, informal, almost conversational; the information is not buried under a mass of words. The arrangement is natural, each detail is thoroughly covered in its proper place, step by step. It teaches only what the child ought to remember; and it makes sure that both memory and practice is the inevitable result.

Only the essentials, but all of them. It contains all the English grammar used today; shows quickly but definitely what is correct, and why it is correct. Incidentally, the study of grammar becomes not the bug-bear it has always been to most of us, but a thing closely and pleasantly related to life, a vital growing organism whose destiny is the intimate concern of the individual.

"Almost as interesting reading as a story book. I have also enjoyed immensely reading the testimonials. I have called the attention of the principals of my district to the textbook. It certainly will be very helpful to teachers of the upper grades in their work in English Grammar."

R. M. HITCH, District Superintendent, Chicago, Ill.

Danish-Norwegian-English English-Danish-Norwegian

SELF-PRONOUNCING

DICTIONARY

By HENRY NISSEN

THE value and merit of this dictionary will readily be appreciated. Its two-fold design is to supply a long-felt need of having a self-pronouncing dictionary of convenient (hip-pocket) size and to give to the Danish-Norwegian population a system of markings that will minimize the difficulties of studying the English language. With a little study of the simplified system of diacritical markings and phonetic respellings used in Part I, one may, without difficulty, consult any standard English dictionary, and escape the confusion resulting from the use of two systems of markings. In Part II, a key to Danish-Norwegian pronunciation is provided, as an aid to those who wish to learn the Danish-Norwegian language.

DIXIE (RAYMOND).

The Boy Magician. Illustrated..... 1.50

There is no more pleasing pastime than the mystifying art of magic, and it is hard to say who gets the more fun out of it—the spectators or the performers. It is curious, too, how the simplest tricks may prove the most deceptive, and, this being true, every boy can be a magician if he will but choose the right tricks. For many years Mr. Dixie, Ace of Magicians, made a specialty of giving entertainments to juvenile audiences, and from this very intimate association with young folks he came to know exactly the kind of tricks his boy friends can best perform.

In his Boy Magician he has brought together a large and varied assortment of tricks with cards, coins, balls, handkerchiefs, and other ordinary articles which any boy can do and which will baffle the grown-ups even as they will his young friends.

When I Was a Boy in Scotland. Illustrated..... 1.25
(See *Children of Other Lands Books.*)

Scotland does not seem a strange land to us in the sense that more remote countries, with strikingly different language and customs, are strange. Yet a boyhood there is quite different from any known in this country. The author of "When I Was a Boy in Scotland" is now a clergyman in the State of New Jersey, but he grew up a Scot, and after some years as a sailor completed his education in the United States. He is an able writer and makes clear to us Scotland's hold upon the affections of her sons and daughters, even though so many are in all parts of the world. To read this book is not only to know a real Scotch lad but to learn many things in a pleasing way.

Down the centuries to the "holydays" of All Saints' and All Souls', it reaches the survival of mingled superstitions in our own land. The work is freely supplied with quotations from the classics and from modern authors.

KELLOGG (ELIJAH).

There is a manliness of tone in Elijah Kellogg's books for boys that is very much admired. His heroes are not those whom the death of some rich and distant relative, or a sudden turn of fortune's wheel, makes rich and influential. They hew out their own fortunes, struggling honestly with difficulties, and rising by means of them to a higher manhood. It is doing wrong by a boy to let him grow up without reading Elijah Kellogg's books.

The Story-Teller for Little Children. Illustrated in color; with color-wrapper and decorated end-leaves..... 1.25

This book takes its name from the wandering minstrel or "Story-teller" of the Middle Ages, who, from palace to cottage, was the most welcome of all guests in the opinion of the children. So is this book most welcome among books for younger boys and girls. Its stories are fascinating, each one a gem of thought and expression. Each story has a full-page illustration in colors.

Bobby and the Big Road. Illustrated in colors..... 1.50

The wonderful genius of Maud Lindsay as a writer for the young is apparent in every line of "Bobby and the Big Road," a book for children from five to seven, and good reading for any one. "The big road" is the Southern term for the highway leading to town, and little Bobby and his kind father and mother, who leave the city for a home in the country, find that it constantly leads to a delightful acquaintance with nature and to pleasant friendships.

Little Missy. Picture Jacket and Illustrations in Colors..... 1.50

Little Missy is the delightful story, told by herself, of a little girl on a Southern plantation, and a faithful picture of the happy childhood of many a "Little Missy." Many of the characters are drawn from life, and many of the incidents are based upon fact. The whole book is true to the spirit and customs of the period which it portrays, and Little Missy herself is a typical Southern child, warm-hearted, impulsive and generous. Miss Lindsay, in the very front rank of all writers for little people, is a Southern lady, and tells the story with sympathetic charm. For children from ten to fifteen.

"Genius comes in with 'Little Prudy.' Compared with her, all other book-children are cold creations of literature; she alone is the real thing. All the quaintness of childhood, its originality, its tenderness and its teasing, its infinite uncommon drollery, the serious earnestness of its fun, and the fun of its seriousness, the naturalness of its play, and the delicious oddity of its progress, all these united for dear Little Prudy to embody them."—Col. Spiritual idealism is made to seem entirely practical, and the last of the book makes this clear. It shows the volume to be an efficient textbook, giving a remedy for so-called evil, and justifies its title.

How Barbara Kept Her Promise. Illustrated..... 1.50

Barbara promises to take care of her sister, pretty, petted, mischievous Hazel. She had a hard time doing so but how she succeeded forms a story with a great deal of warmth and humanity.

Little Miss Rosamond. Illustrated..... 1.50

Gladys and Joy of "The Little Girl Next Door" reappear. It is a story of Rosamond, in her Richmond house, and of the seaside where she met Gladys and Joy.

Priscilla of the Doll Shop. Illustrated..... 1.50

There are three stories in this book, and we have never known two little girls who agreed as to which one they liked best.

Brave Little Peggy. Illustrated..... 1.50

Peggy came from California to New Jersey to live with a brother and sister whom she has not known since very early childhood. She has much to contend with, but through it all was "Brave Little Peggy."

The Other Sylvia. Illustrated..... 1.50

A little girl named Mary was a "King's Daughter" and had pledged to be helpful to all other Marys. Sylvia decides to do likewise but has a hard time finding little girls of her name. But she does find the "other Sylvia" and great happiness along with her.

Maisie's Merry Christmas. Illustrated..... 1.50

Maisie's Merry Christmas, Jill and Lill, and How Reggie saw the Sphinx, make up this volume of pleasing stories.

Little Queen Esther. Illustrated..... 1.50

Little girls will probably think that the very nicest part of this story is where the "fairy in the wall" turns out to be most delightfully real.

Making Mary Lizzie Happy. Illustrated..... 1.50

Each of the four stories in this volume is true to Miss Rhoades's high standard of good taste and her power to charm young readers.

A Real Cinderella. Illustrated..... 1.50

The real Cinderella was an orphan who had inherited a passionate love of music from her father. You'll delight in reading of the good half-brother who was glad to be the "prince."

Plucky Little Patsy. Illustrated..... 1.50

Patsy, whose real name was Patricia Rivers, was a girl of twelve in a New York flat. Imagine her suddenly transformed into an heiress and taken to live in an English manor-house under the care of an uncle who at last has found his brother's child.

Nora's Twin Sister. Illustrated..... 1.50

Twelve-year-old Nora lived in a New York apartment with her widowed mother. There had been a twin sister exactly like Nora, but the mother could not provide for two, and so one had been given to a wealthy family for adoption. By chance the children meet, and the wilful sister insists upon a visit with her real mother, which had startling consequences.

Four Girls of Forty Years Ago. Illustrated..... 1.50

These four sisters, with ages from seven to twelve, are very real little girls because the interesting things they do were actually done by children who lived when it was thought remarkable to have even a telephone. They formed many ideas of life from books, and it required many experiences to find out that things are not always the same in real life—and then, again, sometimes they are. All ends in unexpected happiness for the bright and well-meaning little girls, as stories by Miss Rhoades have such a delightful way of doing.

(*Books for Older Girls.*)

The Girl from Arizona. Illustrated 1.75

The "girl" has grown to be fourteen before she sees New York, so that it is like going into a new world, and her honest naturalness at times rebels against the artificiality she finds.

Victorine's Book. Illustrated..... 1.75

Fourteen-year-old Victorine is inspired to begin a book telling her daily experiences, although convinced that nothing interesting will ever happen to her. In this she is greatly mistaken, for things begin to happen at once.

Marion's Vacation. Illustrated..... 1.75

Marion is sent for a summer in a pretty Vermont village, which proves to be a most important one to her.

Dorothy Brown. Illustrated..... 1.75

The heroine appears in New York as a little girl of eight, but the passing of six years finds her at a select family boarding-school in Connecticut. An important part of the story also takes place in the White Mountains.

The Independence of Nan. Illustrated..... 1.75

The heroine is a girl of fifteen, who goes from her grandfather's home in Ohio to that of an uncle in a Boston suburb. Nan, carefully trained by her grandfather, a stern old Judge, would have been an added burden to the unfortunate household which she entered, had it not been for her vigor and independence.

When Gretel Was Fifteen. Illustrated. Jacket in colors... 1.75

Pretty, talented Gretel, one hundred per cent. American as she is, bears a name honored by her father, who had been a famous musician, but unmistakably German. Both friends and foes are misled by this, and Gretel, modestly sure that she is, a coward, suddenly is compelled to face a situation requiring the highest degree of courage and fortitude as well as loyalty. Not for a moment does she even think of faltering, and she deserves her share of the glad surprises that crown this wholesome book.

RIMMER (CAROLINE HUNT).

Figure Drawing for Children. 4to. Illustrated 1.50

Nothing could be more exquisite than these dainty figures by which, with the accompanying text, children are trained to use their pencils in beautiful and accurate delineations of the human figure.

ROE (NORA A. M.).

Two Little Street Singers. Illustrated..... 1.25

No child can read this story without being quickened in the right direction as well as entertained, and many an older person will find a suspicious moisture upon his spectacles after reading a chapter "to the children."

ROLLINS (MONTGOMERY).

The Village Pest. Illustrated..... 1.75

This is not a juvenile, though about a boy, and a very real one, who lived, moved, and had his stirring and intrepid being in the Washington of thirty-odd years ago.

The Banker at the Boarding-House. Illustrated..... 1.75

A high authority, who combines financial knowledge with the gift of authorship, gives valuable advice in a delightful story, causing dry details to be lost sight of in the interest of the narrative.

ROLT-WHEELER (FRANCIS).

"There is no man writing who can produce a better boy's book of adventure than Dr. Francis Rolt-Wheeler."
—*The Philadelphia Press.*

U. S. Service Series. Profusely illustrated from photographs taken in work for U. S. Government. Large 12mo. Decorated covers .....each 1.75

The Boy with the U. S. Survey.

Here are told the adventures of the U. S. Geological Survey, not in dry statistical reports and bluebooks, but graphically woven into a stirring narrative that both pleases and instructs.

The Boy with the U. S. Foresters.

The life of a youthful forester is followed in adventurous detail—the mighty representative of our country's Government though young in years—a youthful monarch in a vast domain of forest.

The Boy with the U. S. Census.

A bright American boy learns the growth and resources of our vast country, and how the necessary information is gathered, the securing of which frequently involves hardship and peril.

The Boy with the U. S. Fisheries.

There is no lack of exciting scenes. The far Aleutian Islands have witnessed more desperate sea-fighting than has occurred elsewhere since the days of the Spanish buccaneers, and pirate craft, which the U. S. Fisheries must watch, rifle in hand, are prowling in the Behring Sea today.

The Boy with the U. S. Indians.

A book thrilling in its human side by the heroism demanded in the little-known adventures of those who do the work of "Uncle Sam." This is especially true of those engaged in work with and for the Indians—always a name to conjure with among boys.

The Boy with the U. S. Explorers.

How our Government explores strange places and investigates countless odd forms of plant life in the hope of developing that which may benefit the people of this great land.

The Boy with the U. S. Life-Savers.

This volume, with its typical American boy as a centre, shows how our Government protects its citizens with the aid of the Revenue Cutter Service, the Life-Saving Service, and in the depths of the earth, where men from the Bureau of Mines take the lead in rescue work in colliery disasters.

The Boy with the U. S. Mail.

The officials of the Post Office department have, as in the case of all other departments covered in this series, extended their courtesy to Dr. Rolt-Wheeler to enable him to tell us about one of the most interesting forms of "Uncle Sam's" care for us.

The Boy with the U. S. Weather Men.

Weather is still the most important thing in the life of Man, and this book captures attention as much by the sheer fascination of its subject material as by the deftness with which this is woven into a genuine and gripping boys' story.

The Boy with the U. S. Naturalists.

This volume shows the great value of bird life, demonstrating the dependence upon birds of the entire food supply of our country. Exciting features are supplied by piracy and adventure.

The Boy with the U. S. Trappers.

The author tells the work of a little-known branch of the United States Government, the trappers and hunters of the Biological Survey. This is a book of true hunting, not done only as sport, but to save the lives and properties of the citizens of the United States.

ROLT-WHEELER (FRANCIS).—Continued.

The Boy with the U. S. Inventors. Illustrated..... 1.75

The U. S. Patent Office is the avenue through which world-transforming inventions pass. Dr. Rolt-Wheeler shows how, through inventions this country has blossomed into greatness. Yet the most intricate and complicated of these mechanisms is described so simply that the reader can follow every process.

The Boy with the U. S. Secret Service. Illustrated..... 1.75

The Secret Service of the United States is truly a secret service. Its doings are most jealously guarded. Its secrets are tenaciously held. Its work is of the utmost importance, and few people know how wide is the scope of its activities.

The Boy with the U. S. Miners. Illustrated..... 1.75

The larger part of all human wealth has been dug from the earth, and there is an eager interest in seeking and winning the Earth's treasures that cannot be surpassed, and hardly be equalled. This book tells of the skill and heroism of those who brave the toil and peril of the mines, and the great and intelligent care which our Government takes of their interests. A bright American boy is taken as the central figure of a thrilling and instructive book for all boys from fourteen to eighteen.

The Wonder of War in the Air. With illustrations from unusual war photographs and sketches..... **1.75**

With an American youth as a central figure, and made clear by many illustrations direct from the front, it shows the wonderful training of the French Aviation schools and swiftly brings its hero into thrilling adventures and encounters in the clouds.

The Wonder of War on Land. Illustrated..... **1.75**

The adventures of a young American who was caught in the backward sweep of the Retreat to the Marne, and served in the ragged legion which saved Paris.

The Wonder of War at Sea. Illustrated..... **1.75**

The hero, wrecked by a mine, sees a Destroyer action in all its fury and its awfulness. The ways of the super-Dreadnaught are told, and the secret of Britain's "mystery fleet" is at last revealed.

The Wonder of War in the Holy Land. Illustrated..... 1.75

This book vividly shows the extraordinary difficulties of the campaigns in the waterless deserts of Egypt, Arabia, Palestine, and Syria, as well as in the burning flood-plains of Mesopotamia.

(*The Museum Books.*)

The Monster-Hunters. Illustrated **1.75**

It is a story of thrilling adventure, and through its pages writhe or thunder those vast and uncanny monsters that inhabitated this world long ago. Yet there is no "nature-faking."

The Polar Hunters. Illustrated..... **1.75**

Strange fights with walrus and polar-bear on the sea, ice perils from drifting floes and crashing bergs, and the constant fight against hunger, cold, and darkness, give this book a glamor as great as is its wealth of information.

The Aztec-Hunters. Illustrated **1.75**

Combining the excitement of exploration with the intense grip of a mystery story, the true romance of a vast and powerful American civilization, which flourished more than a thousand years before Columbus landed, is here told.

ROLT-WHEELER (FRANCIS).—Continued.

The Wreck-Hunters. Illustrated..... 1.75
"Sunken treasure has been a lure to man ever since oars first dipped in water or wind swelled a sale." This quotation gives the key to the most absorbing book for boys that can be imagined, and almost equally interesting to those older. Nor does it lack the great amount of accurate information always to be gained from Dr. Rolt-Wheeler's books of this nature. With young Latimer Voley, son and grandson of the most famous "wreckers" of the Bahamas, as a central figure, we are shown how sunken millions are salvaged, requiring the most expert nautical and mechanical skill, and the utmost bravery.

The Boys' Book of the World War. Illustrated..... 2.50
Dr. Rolt-Wheeler has succeeded in compressing the whole diplomatic, political, economic, and military history of the war into an incisive, compact, and readable form.

Nimrod, a Drama 1.00

The Book of Cowboys. Illustrated..... 2.00
Dr. Rolt-Wheeler has given a vivid and accurate picture of the days through which the Western States leaped from savagery to Statehood. The book is unique in its matter of handling, and, while the reader will revel in its thrilling incidents and its sweep of the Great Outdoors, he will lay it down with a fuller understanding of the lives of the men who contributed so much to America's greatness, and a clearer perception of the way in which the West has come to be a power and a pride in these United States.

The Story of Our Constitution. Illustrated..... 1.50

It is a thrilling story, the tale of four million people deliberately choosing a form of government for themselves and promising to live in obedience to its laws. It is a story of dreaming of union, but dreading to be bound; of dreaming of separation, but fearing to be free; a story of peering into the future like the seers of old, and of balancing sordid advantages like the most penurious of misers. And what of that noble group of men, unconsciously great, who without a thought of their own gain, moved quietly about the task of saving a nation from lawlessness and anarchy? Why is it that histories which are elsewhere interesting become so often dry and dull when the wonder-story is touched upon?

It is from such thoughts as these that this book has grown.
